Record Setting Day for the 16th Annual Kenny Moore Memorial Upward Golf Scramble--\$9,000.00

Rob came into Q and A Class Sunday morning and reported that the fund-raiser in memory of his Dad totaled \$8,850. I happily announced to the class, and just casually remarked that we were within \$150 of a \$9,000 day for Upward.

When I walked over to church, a class member had handed \$150 to Rob. That's the kind of people God has put in this church. Fantastic and Fun-tastic. See it all on the next page.

News and Views from the Corner of 10th & Poplar

Jerry Cummings called last week and wanted to know if we had an elevator at church. His brother, Jimmy, was planning to come from Atlanta, hoping that he, Jerry, and their sister, Bunny could come to church together.

They grew up here, the children of Mae Ella and Will Cummins. Bunny is attending regularly, and we are so glad to see her sitting back there with her childhood friend, Sharon Pickett. Jerry is active in his church in Jackson, MO, and Jimmy stayed in touch and gave generously to Upward for several years until his health failed. It has failed so much that the proposed trip to Cairo had to be cancelled. He just can't make it. But what a day of joy that would have been, to see the three from the early 60s back together again in this church. Pray for Jimmy and Carolyn, please. Both are in a nursing home. Carolyn doesn't know Jimmy, after all the happy years.

Beth Lawrence's dad, Speck Masterson, passed away last week, and the funeral service was held Friday in Tamms. Beth's good friend from high school days, Rushelle Curtis, was there to help Beth through the loss of her father. Beth and Rushelle were baptized here on Oct. 26, 1996. They are two wonderful young ladies and mothers.

Pulling for Peggy

Peggy Klein is to have an angiogram this week, preparing her for heart-valve surgery. She is anxious to have this operation so she will be able to come back to church. Peggy has been side-lined for a long time, not feeling strong enough to get out. We are praying this will fix her up.

Sadly, we send condolences to the Danny Masters Family once again so soon. Danny’s brother-in-Law, Sam Hood, passed away.
